

HEMANT VILAS PATIL

Software Developer | Full Stack (MERN) | Python | Machine Learning | GenAI
+91 9920600274 | patilhemant1103@gmail.com | [LinkedIn](#) | [GitHub](#)

TECHNICAL SKILLS

Languages & Frameworks: JavaScript, Python, React.js, Node.js, Express.js, Django

Databases & Tools: MongoDB, MySQL, Git, GitHub, Postman, Selenium

ML / AI / GenAI: scikit-learn, pandas, NumPy, TensorFlow, NLTK, spaCy, OpenAI API, Gemini API, n8n, VAPI

INTERSHIP EXPERIENCE

MERN Full Stack Developer Intern — Mernix Consulting

Jul 2025 – Aug 2025

- Built 4 full stack web apps using MongoDB, Express.js, React.js, Node.js with REST APIs and CRUD operations.

Django Developer Intern — Pythonic Labs

Sep 2025 – Oct 2025

- Developed an Online Polling System using Django, Python, and MySQL with MVC architecture and Django ORM.

Python Automation Developer Intern — Pythonic Labs

Nov 2025 – Dec 2025

- Automated 8–10 tasks using Selenium (UI testing, web scraping) and Python email reporting pipelines.

PROJECTS

Student Management System

MERN Stack

- Full stack app with React.js frontend, Express.js REST API, and MongoDB — complete CRUD for student records.

SMS Spam Detection System

Python | scikit-learn | NLTK | NLP

- NLP text classifier using TF-IDF vectorization and Naive Bayes/SVM to detect spam SMS messages.

HR Outbound Call Automation Agent

n8n | VAPI | OpenAI API

- AI-powered calling agent using VAPI and n8n to autonomously conduct HR screening interviews with zero human intervention.

EDUCATION

B.E. – Information Technology | Datta Meghe College of Engineering, Mumbai University 2023 – 2027

CGPA: 8.04 / 10.0 | Relevant: DSA, DBMS, OS, Computer Networks, Software Engineering, Web Technologies

CERTIFICATIONS & TRAINING

MySQL • JavaScript MERN Full Stack • Python Developer • Django & REST API • Python Automation • Machine Learning with Flask • NLP
